

1      Make a horizontal fold approximately one inch from the top of this sheet folding towards the bottom.

Approx. Here -->

2      Flip paper over. Make a second fold approximately one inch from the first, folding in the same direction.

3      Flip paper over.

4      Repeat steps one through three, continuing to space folds one inch apart until you reach the end of this sheet.

5      When folding is complete gather the folds accordion style on the long edge of the paper. Use your thumb and ring finger, with whichever hand is dominant to hold your fan.

6      With a back and forth motion, use to fan the rampant flames of capitalism as they engulf you and everyone you love.
