

- 1 Make a horizontal fold approximately one inch from the top of this sheet folding towards the bottom.

[Here -->]
- 2 Flip paper over. Make a second fold approximately one inch from the first fold in the same direction.
- 3 Flip paper over.
- 4 Repeat steps one through three, continuing to space folds one inch apart until you reach the end of this sheet.
- 5 Gather the folds accordion style on the long edge of the paper. Use your thumb and ring finger, with whichever hand is dominant, to hold your fan.
- 6 With a back and forth motion use to fan the rampant flames of capitalism as they engulf you and everyone you love.
